

2017 Camp Guide

HIGH SCHOOL ALL-STATE CHOIR

Description of Camp

The High School All-State Choir Camp is open to choral students who are graduates of grades 8, 9, 10, or 11. Intensive study of the upcoming All-State repertoire is the primary focus of this acclaimed program for high school singers. ****Students need not have previously been a member of a TMEA All-State choral ensemble.**** One set of the All-State audition music will be provided to each camper at no additional charge. Whatever the level of proficiency, all LMC campers find new challenges and opportunities that will enhance their abilities as musicians!

The camp culminates with a required student performance in Bates Recital Hall.

Typical Daily Schedule

Residential campers are awoken by counselors. Campers and counselors eat breakfast as a group and then walk to the Butler School of Music together. All campers spend mornings in rehearsals and sectionals, and are then escorted by counselors back to the dorm for lunch.

The afternoon is spent in sectionals and rehearsals. All campers eat dinner at the dorm as a group. After dinner, campers attend additional evening instruction, followed by evening recreation. Day-campers may depart after evening instruction (8:00 p.m. Wednesday/Thursday), or may elect to stay for recreation.

Evening recreation is always a camp-wide activity. Wednesday night features a vocal recital, usually by one of the Butler School of Music faculty. Thursday night is a camp-wide talent show (campers are encouraged to come prepared with an “act” if they wish). Friday night, LMC provides a banquet and dance for the campers at the Texas Union Ballroom.

After evening recreation, remaining day-campers depart (9:30 p.m. Wednesday/Thursday), and residential campers go back to the dorm for a floor meeting, followed by time to shower, calls home, and lights-out.
